Teachers will contact parents/guardians to chaperone a field trip if any are needed.

Chaperones are asked not to bring younger siblings or indulge your own child with souvenirs and/or treats. You must follow the directions of the teacher.

Please park along Patterson Street instead of in the parking lot if you are asked to be a chaperone on a trip.

---

As the year comes to a close, we would like to thank our students, families, and staff for another great year here at Tecumseh Acres. Thank you also to our P.T.O. for the wonderful events and the many purchases they have made for our building. The support that our families give the P.T.O. has helped make this possible and it is very much appreciated.

As you are aware, Tecumseh Acres Elementary will be called the North Early Learning Center beginning in the 2017—2018 school year. We will have Young Fives, Kindergarten and 1st Graders. We look forward to all the new and exciting changes that will be happening in all of buildings as the District becomes Uncompromisingly Learner Centered!

To all of our students, families, and staff moving to the Compass Learning Center, best of luck and we hope the transition goes well for you. To our students, families, and staff remaining here at the Tecumseh North Early Learning Center, we look forward to having you join us in making our "new" building a wonderful place to learn, grow, and make friends.

Information about the reorganization may be found on the school website, <http://tps.k12.mi.us/>

***Have a safe and happy summer!***
