The student and/or the student's parent/guardian shall be responsible for compensating the school district for any losses, costs, or damages to the laptop. The student and/ or parent/guardian is liable for replacement(s) costs resulting from intentional damage and/ or neglect as outlined in this document. The purchase price of the laptop is \$269.00, the maximum cost for which a parent/guardian is responsible.

The parent/ guardian of the student may choose to purchase insurance for the device at any time during the school year. This insurance policy covers damage, theft, and or loss of the device. There is a \$30.00 deductible, per instance for the first two instances per year to repair any physical damage that will re-insure your device. After the first two instances, the deductible goes up by \$10.00 per instances up to the cost of the device.

	I will purchase insurance for the device for my son or daughter. I am sending a \$30.00 check made out to Tecumseh Public Schools with this form.
	I do not wish to purchase insurance and I understand that as a parent /guardian I am responsible for the replacement cost of the device (\$269).
