Important Field Trip Chaperone Information

As stated on page 7 of the Family Handbook you received at the beginning of the year, **only those parent/guardians who have filled out a school volunteer form and had a background check done by the school district will be considered for a chaperone.**

Teachers will contact parents/guardians to chaperone a field trip if any are needed.

Chaperones are asked not to bring younger siblings or indulge your own child with souvenirs and/or treats. You must follow the directions of the teacher.

Please park along Patterson Street instead of in the parking lot if you are asked to be a chaperone on a trip.

Our Second, Third, and Fourth Grades will be taking State required tests during the month of May. Please check the newsletter from your child's class for more information. It is very important for your child to be in school; arrive on time; be well rested; and have a good breakfast so they may do their best on the tests.

Field Days / Family Picnic

For those of you who may want to take off work for these events, below are the dates:

The All School Family Picnic will be held:

An order form will sent home for students, parents and younger siblings to order from the school lunch menu if you wish. The forms should be returned by Friday, May 26th.

Dress Code Review

As the weather gets warmer, please review the Dress Code policy on page 19 of the Family Handbook.

Certain clothing will not be permitted to be worn by students. **This includes: revealing tank tops, halters, crop tops, or short shorts.**

If your child wears sandals or flip flops, please make sure that they have a pair of tennis shoes for P.E. class.

A.C.E.S. is May 3rd

(All Children Exercising Simultaneously)

Our annual A.C.E.S. event will be held on **Wednesday, May 3rd, at 2:20 p.m.** This event was founded in 1989 and there are participants from all 50 states and more than 50 countries. The mission is to bring attention to the importance of life-long physical activity.

Address Confirmation Forms

These forms have been sent home one per family with the oldest child in the family.

It is very important to have the correct information on file to assure that you receive any correspondence sent from the school district prior to the start of the 2017- 2018 school year due to the many new changes.

It is also required by the Tecumseh Public Schools to have the most up-to-date proof of residency on file for every student. This may be a utility bill, rental/lease or purchase agreement showing the parent/guardian's name at the address listed on the student's record. **Any time your address changes you must provide an updated proof of residency.**

Thank you to those who have already returned the form.

All forms are due by Friday, May 5, 2017
